# DOUBLE BASS STRINGS

Flexible multiwire spiral rope core. Less inertia, longer period of musical vibration. Equally effective when playing arco or pizzicato. Highly responsive, long lasting. SPIROCORE strings, widely recognized as "the reference standard", are legendary for distinctive tone and playability.

Ein flexibler Spiralseilkern ermöglicht Saiten geringer Trägheit und Dämpfung, die für Zupfen und Bogenspiel gleichermaßen geeignet sind. SPIROCORE Saiten haben neben langer Lebensdauer hervorragende Einschwingeigenschaften und sind Referenzsaiten für nahezu alle Jazz-Bassisten.
